NARRATIVE BACKGROUND OF
EXPERT MARK CHANDLER

Wisconsin Alumni Research Foundation hereby submits the following written narrative statement of the background and experience of its expert, Mark Chandler.

Mark Chandler is an expert in evaluating and licensing patented technologies. Mr. Chandler has 25 years of experience helping universities, inventors, and companies of all sizes develop and license patented technology. Mr. Chandler has personally negotiated over a hundred patent licenses, many of which involved microprocessor technology. Mr. Chandler has negotiated patent licenses on both sides of the table, for inventors and for companies interested in licensing the technology. Mr. Chandler has also helped form more than fifteen high-tech startup companies. Mr. Chandler has extensive experience with research universities. He has worked with many top universities to develop and license valuable technologies, including Columbia University, Ohio State University, and the University of Utah. He has also worked with companies to license technologies from universities, including General Electric and Fidelity Investments. Mr. Chandler has been recognized as one of the Top 250 intellectual property strategists in the world for seven years running.
